Supporting the beneficial use of brownfield land and remediation technologies

CL:AIRE is an independent, not-for-profit organisation established to stimulate the regeneration of contaminated land in the UK by raising awareness of and confidence in practical, sustainable remediation technologies.

CL:AIRE ELEARNING

CL:AIRE's eLearning courses enhance traditional learning, support existing teaching methods and provide a valuable reference...

Register your organisation for **CL:AIRE Membership** to receive training and event discounts and access to all our report and publications downloads.

View our **Events and Training Listing** to find out about upcoming conferences, training sessions and events in the contaminated land sector.

Validate your skills and experience using **CL:AIRE's eLearning modules** covering Remediation Technologies, Risk Assessment and Sustainable Remediation.
